

## **IUCN World Conservation Congress - Africa Members Meeting**

**Date:** 7 September 2021

**Where:** Room: H8 - 7 Cévennes

**Time:** 19h00 – 21h00

### **Objective**

The Regional Members' Meeting takes place ahead of the Members' Assembly. As a follow-on from the Regional Conservation Fora that took place during 2019, the meeting aims to maximise Member participation during the Members' Assembly, focusing on topics and issues that are of Regional importance and that require discussion during the various Assembly sittings. The meeting brings together African members from three sub-regions of Africa Eastern and Southern Africa, West and Central Africa and Mediterranean

### **Agenda**

- Welcome remarks and reflections on future actions for IUCN in Africa
- Presentation on the Africa Protected Areas Congress (APAC)
- Updates by the Regional Chairs
- Presentation on the voting system – ahead of the Members assembly
- Discussion on motions of relevance to Africa
- Closing remarks
